

Dear Parents,

## The Birthday Book Club

The Birthday Book Club is an initiative of the Parents' Activities Committee and the Librarians to increase awareness of our Prep and Middle Schools' libraries, and to bring attention to the need for continual renewal and updating of our collections. This program encourages school families to become part of the process in a positive and meaningful way.

We ask you to consider commemorating your child's birthday by making a donation for the purchase of books that support the Prep and Middle School curriculum. A special bookplate with the name of your child and their birthday will be placed inside the book in acknowledgement of your gift. Family donations commemorating two or more birthdays would also enable the library to purchase a book of greater value (e.g. reference book). Donations of any amount are most welcome and a tax receipt is issued with our gratitude.

If you are interested in participating in this project, please fill out the following form and return it by mail or drop it off to the receptionist at either campus, marked Attention: Birthday Book Club. Should you have any questions, please feel free to contact Ms. Jennifer Gresham for the Prep School Library or Ms. Jacqueline Greenough for the Middle School Library at 422-6497.

Thank you for your consideration.
